Continued

What customer need is met by this product?

Loss of registration:

Covers the depreciation of financial interest in the premises or loss of revenue following the withdrawal of registration certificate outside of the insured's direct control.

Liabilities:

Employers' liability cover provides an indemnity for legal liability to pay damages to employees and volunteers following injury in the workplace.

Public and products liability cover provides an indemnity for legal liability to pay damages to third parties (not employees) for injury or damage to their property.

Professional Indemnity:

Covers damages and legal defence costs made against the insured arising out of their legal liability in connection with their professional duty.

Directors' and Officers' liability:

Covers damages and legal defence costs made against a director or officer of the insured, arising out of their legal liability in connection with a wrongful act.

Fidelity:

Provides cover for loss of money or goods (including electronic transfer of funds) caused by an act of fraud or dishonesty of an employee or volunteer.

The following sections and extensions are available as optional covers extensions, which enables the customers to build a commercial insurance solution to suit their organisation's needs.

Terrorism:

Cover for damage to the property and, if selected, resultant loss of income insured under other sections of this policy following an Act of Terrorism.

Cyber:

Offers protection for your computer systems following a cyber-attack or breach.

Can this product be sold without advice?

This product should be sold in line with FCA regulations and can be sold with or without advice.

How can this product be sold?

We suggest this product can be sold face to face, via telephone or electronic communication or a mix of these methods.

For broker use only.

How is value assessed?

We assess the value of our products based on several metrics as well as customer and broker insight.

In carrying out this assessment, we take into consideration the standard remuneration in our Terms of Business Agreement with you. In addition, we will consider the add-ons that form part of our product.

If you sell additional add-ons (including premium finance) alongside our product or take additional remuneration, you may affect the value for your client and will need to take this into consideration in your value assessment.

More detail on our product approval process can be obtained on request.
